

# SARTORI LUXURY LIVING

# GALEA

Da un' idea nata al Salone del Mobile di Milano, visitando il padiglione del lusso, abbiamo creato la nostra collezione Galea che si ispira ai pattern iconici delle collezioni che si sono seguiti nella storia della nostra azienda. In questo modo la Sartori Rugs mantiene la filosofia e il DNA del proprio marchio coniugando il concetto di moda e di design. La fibre naturali usate per creare un prodotto di questo livello, sono frutto di una lunga ricerca che alla fine ricompensa i costi e la fatica profusa.

*We have created our new Galea collection after visiting the luxury pavilion at the Milan Furniture Fair where our project was born. This collection draws inspiration from the iconic patterns of the collections which have been following one another over the history of our company. In that way, Sartori Rugs keeps the philosophy and the DNA of its own brand combining the idea of fashion and design. The natural fibres used to create this top-level textile are the results of a long research which in the end is reward for costs and labour.*
